### Notes

Working Bee activities may include:

- Finishing the West Toodyay Wander
- Infill planting, various sites
- Preparation of 2025 planting sites
- Maintenance and repair of walk tracks
- Pelham Brook Outlet monitoring, maintenance and further planting
- Weed removal in TFOR planting sites

Projects sometimes need additional work between Working Bees, in these cases, a 'call out' for volunteers will be sent by email.

Details of working bee activities and meeting places are emailed to members each month.
